Alderman Conlon offered the following order

City of Somerville

In Board of Mayor and Aldermen Feby 14. 1883

Ordered,

That the Committee on Finance be and is hereby instructed to include in its report of appropriations for the current year the following item,—

New Apparatus for the Fire Department

(Four thousand eight hundred dollars) $4,800.00;

February 14. 1883.

such appropriations to provide for expenditures as follows, —

1st. for a new steam-fire engine say $4000.00

2nd. for six Harrison Extinguishers and a pump for charging them, say $300.00

3rd for remodelling the relief hose carriage so that it may carry ladders, say. $500.00

Total $4800.00

Thos. A Houlehane.

In Board of Aldermen Feby 14. 1883.

Received, its "first reading" and "second reading" amended by striking out the words "included" in the second line and inserting in place thereof the words "Consider the expediency of including." — As amended received to final passage and sent down for concurrence.

Printing

Report of Committee

Proposals for Printing

Annual Reports

Report of Committee on Printing.

City of Somerville

In Committee on Printing Feby 12. 1883

To the City Council

of Somerville.

The committee on Printing in compliance with an order dated February 1st, have solicited proposals to print

February 14 1883

fifteen hundred copies of the Annual Reports for the year 1882, — One hundred and fifty copies to be bound in cloth, and thirteen hundred and fifty copies to be bound in paper, with two hundred additionals copies of each of the following named reports, to wit, — of the Board of Health, the City Engineer, the Overseers of the Poor, the School Committee, the Trustees of the Public Library, and of the Water Board, — and has received proposals from the parties named below, and submits the aggregate amounts of their bids based on the quantity of printed matter in the reports for the year 1881.

Names of Bidders	Aggregates
S. Woodbury & Co.	$773.00
J. Haines Maynard	750.00
Wockuer & Churchill	665.00
Alfred Mudge & Son	654.06
Coburn Bros	653.68
J. O. Hayden & Co	598.12
Rand Avery & Co.	587.30

All of the proposals are in accordance with the specifications, except that of Messrs Rand Avery & Co. which covers only one hundred additionals copies of each of the six reports named, instead of two hundred, as called for, and it is therefore hereby recommended that the contract be awarded to Messrs J. O. Hayden & Co

By order of the Committee

In Board of Mayor and Aldermen Feby 14 1883.

Ordered:-

That the Committee on Printing be and is hereby

Printing Annual Reports. Order

make Contract with J. O. Hayden & Co

authorized to make a contract with J. D. Hayden & Co. for the printing of fifteen hundred copies of the Annual Reports for the year 1882. submitted by the various committees, boards and offices of the City, - one hundred and fifty copies to be bound in cloth and thirteen hundred and fifty copies to be bound in paper, - and two hundred additional copies of each of the following named reports, bound in paper, to wit, - of the Board of Health, the City Engineer, the Overseers of the Poor, the School Committee, the Trustees of the Public Library, and of the Water Board, the contract price to be the same as stated in said Haydens & Company's proposal prepared to in said Committee's report submitted this day, and the sum expended under said contract to be charged to Miscellaneous Accounts.

Thos R. Roulstone.

In Board of Aldermen Feby. 14. 1883.

Received its first reading and second reading, amended by striking out all from the word "and" after the word "passed" in the tenth line to the word "Books" in the sixteenth line both inclusive, and inserting in place thereof the following, "and additional copies of certain reports, bound in paper as follows, - of the Board of Health 200; - of the City Engineer 100; - of the Overseers of the Poor 200; - of the School Committee 300; - of the Trustees of the Public Library 200; - and of the Water Board, 100; - as amended, received its final passage and sent down for concurrence.

George I. Vincent Clerk pro tem.

In Common Council Feby 15. 1883.

Order as amended, adopted, by receiving its first and second reading, and final passage, in concurrence.

Douglas Fraser. Clerk.

Finance

Report of Committee

Examination of Financial Books

Report of Committee on Finance.

City of Somerville.

In Committee on Finance Feby 13. 1883.

To the City Council of Somerville.

The Committee on Finance would report that, in compliance with section 9. of ordinance No 4. it has, in conjunction with the City Auditor, examined and audited the

books and accounts of the Treasurer and Collector of Taxes for the year ending December 31. 1882, and in the manner prescribed by said ordinance.

The said books and accounts were carefully compared with the books and records of the auditor, the books, accounts, papers, vouchers and documents of the City Clerk, and the several Committees, boards and officers of the city, and with the certificates and statement transmitted by the City Clerk as provided in section 4 in the said ordinance. The committee also carefully verified the cash balances, as shown by the books and accounts of the Treasurer.

The committee takes pleasure in reporting, as the result of its examination, that no error or discrepancy was discovered in the accounts and records of the treasurer and collector, and in expressing their cordial approval of the remarkably neat, methodical and accurate manner in which he has kept the books and accounts of his department, as well as the general efficiency displayed by him in the performance of his important and arduous official duties, and recommends that his report be accepted.

Alderman Burns offered the following preamble and Order:

February 14. 1883

City of Somerville

In Board of Mayor and Aldermen Feby 14. 1883.

Whereas the Committee on Finance, in the examination of the books and accounts of the City Treasurer, find it necessary to prove the amount received by him as Collector, and to do this it is necessary for them to know how much he has collected for each Committee and Board of the City, and as it is impossible to do this without a statement from each of said Committees and Boards of the amount of the bills placed in his hands for collection, - they would therefore recommend the passage of the following order; -

Ordered, -

That each Committee, Board and officer required by section 4 of ordinance No 4 to forward to the City Clerk, annually, a certificate giving the aggregate amount of the accounts delivered by them, respectively, during the year, to the Treasurer for collection, be requested to prepare such certificate from the records of its own department, and not from data obtained from the City Treasurer, and that a copy of this order be transmitted by the City Clerk to each of said Committees, Boards and officers.

Clerk

March 28, 1883

City of Memphis & Shelby
March 25, 1883

Mayor Cummings presiding

Aldermen Partlow, Bell, Rawlston, Ernst
Brown Burgin, Berry, and Davis present.

Record of last meeting read and approved

Ord. Transferring Public Library to School Building recommended by the Mayor disapproved

Ald. Burgin offered the following Ordinance which was read the first time: Ordinance transferring Public Library from City Hall to the High School Building with Firemans Hose Co.

City of Memphis, Mayors Office
March 28, 1883.

To the Honorable City Council.

Gentlemen

The order providing for the removal of the Public Library to the basement of the High School building is herewith returned, disapproved for reasons as follows.

1st No plans, specifications or definite estimates of the probable cost of the proposed change) is submitted. No ability of this magnitude should be undertaken without a careful calculation of the cost.

2d It is not wise or economical to remodel after the fragment of such expenditures upon miscellaneous accounts. Only incidental expenses too small to be enumerated, or expenditures which cannot be foreseen should be paid from the appropriation for miscellaneous accounts. If this work is to be done a special appropriation sufficient for the purpose should be made, and the Council confined to that purpose instead of being given unlimited authority to draw from any appropriation for incidental expenses.

March 21. 1913

3. The room now used as a laboratory in the basement of the High School Building is not in my judgment available since the Public Library will be but little longer than the rooms now occupied by the Library, which are considered of poor grade. The floor is to be some two or three feet below the surface of the ground, requiring considerable excavating to make it level, and the entrance down a flight of steps.

4th

The room which it is proposed to occupy in the High School building is most in use for school purposes, and is necessary to the school.

The room in the third story to which it is proposed to move the laboratory is now in daily use by the school as an examination room. It is not possible to accommodate the laboratory and would have to be enlarged, and supplied with plumbing, water, cold waste pipes, at a considerable outlay, as a force pump, and tank would be required to supply water, the third story being above the level of our water supply. It is not a laboratory could, and do, be improved as the increase in the number of pupils in the High School will soon require. It is not a location again, as a recitation room.

5th No school building should be used during school hours for other than school purposes. No place of public resort, especially should be located in a school house.

6th Such a change should not be made without consultation with and by consent of the School Committee, Physician board and best judge of the needs of the school, recitations required, and the propriety of the change thus proposed. It also has rights under the statutes, as to school accommodations, which should be respected by the City Council.

March 28. 1843

To the Hon and the Common Council of the City of Boston

The undersigned Committee on Finance would respectfully report that they have had under consideration the petition of Edward H. Cummings Esq. Messenger of the Board of Aldermen praying for an increase of his salary, and have had a hearing upon the same, and have also had a hearing upon the petition of Thomas Bulfinch Esq. Messenger of the Common Council praying for an increase of his salary

March 29. 1883

Ordered & Aldermen Ward, leave to withdraw petition and unanimous with the Council in fixing the appropriation of seven ninety thousand dollars.

Ordered of Aldermen Seavey leave to amend the report by adding to the appropriation for the Public Library the amount of Dog Tax received from the County.

Finance Schoolhouses Buildings, petition to amend

Aldermen Merrington moved to amend the report of the Committee on Finance by adding to the appropriation for School Houses & Incidentals the sum of three thousand dollars, making the appropriation $10,000. instead of $7000. The motion did not prevail.

Report of Committee

Report of Committee on Sewers.

City of Somerville

The Committee on Sewers, April 11, 1883.

To the Mayor and Aldermen
of the City of Somerville:

The Committee on Sewers to which was referred the petition of the Estate of Jacob S. Gilman and others for the laying out, making and maintaining of a sewer in Grand, South, and Central streets, in which sewer must be provided by laying a Main Drain or common sewer in Grand and South streets from the present sewer to the end of said city drain as follows, viz:

That in the judgment of said Committee the common convenience and necessity require that such main drain

a common Sewer should be laid, made, and maintained; and that the land forming said Animals Street may always hereafter be taken as bounds; That the said Committee mend the fences, and erect the ordinary and customary Bounds of the said Lands, as proposed to be taken in the Surveys of laying, making and maintaining said Main Drain a Common Sewer as aforesaid, to be distinctly marked out on the premises by the City Engineer, and ordinary bounds and boundaries, the manner in which said taking shall be confirmed, the names of all owners of and claiming damages by the said taking of said land, and the amount of damages proper and necessary to be awarded to each of said owners, being described and specified in the Resolves and Order heretofore passed which is made a part of this Report, and the Committee also report the accompanying Order of Notice for a hearing by the Mayor, said Aldermen, and Councilmen, and order for the taking of said land.

Sewers ... Joseph Adrian and Marion Shein Order for hearing

(Pedestrian) Ward offered the following order

City of Somerville,

In Board of Mayor and Aldermen,

April 11, 1883.

Whereas, in the opinion of the Mayor and Aldermen the public convenience and the public health require that a Main Drain or Common Sewer should be laid in Joseph, Adrian, and (Marion) Shein so called private ways of said City from Winslow Street to Broad and also that the said private ways should be taken for the purpose of said Main Drain or Common Sewer and for said purpose, that said, shall be taken, It is therefore Ordered, That due notice in the manner provided by law, and to be published by advertisement in the City of Somerville be given to,

(Edna) Page guardian, for (Samuel) Black, (Adam) Black - (Mary) Black - (Edna) Page Guardian for Joseph McClark - Lucy J. Clark, Mary Mahoney - Heirs of Nathan Tufts - Annie P. Higgs Anna P. Childs - Thomas P. Bent - Alfred Richmond Amelia A. Bent - Martin L. Darling - Thomas, Emily Mary P. Hayden - Lucy M. Knight

and all other persons and corporations interested that it is the intention of the Mayor and Aldermen in the said Street for the purpose of said Main Drain or Common Sewer and to estimate the damages occasioned thereby, and also that due notice be given said persons and parties owning or having any interest in estates that will be benefitted by the said proposed Main Drain or Common Sewer, that it is intended to assess a proportional part of the charge of making and repairing the same, and of the charge of taking and acquiring land for said Main Drain or Common Sewer through which the same may discharge upon the estates benefitted, under the provisions of the statutes in that case made and provided, and that a hearing in the premises will be had by the Mayor and Aldermen at their room in the City Hall in said Somerville on Monday the 28th day of May A.D. 1883, at 8 o'clock P.M. when and where the Mayor

and Aldermen Remove the Gutter Crossing on Highland Avenue as assigned to the Linwood School, by the Survey by the Mayor and Aldermen and Objections which may be made thereto

(Report of Committee on Highways.
(City of Somerville)
In Committee on Highways April 9th, 1883
To the Boards of Aldermen of Somerville:
The Committee on Highways to whom was referred the petition of Charles H Smith and others for edgestones and gravel sidewalks on both sides of

Austin, Neil recommended that the prayer of the petitioners be granted and submits the accompanying order of notice for hearing of this board at its next session

(By order of the Committee)
(Geo. Vincent Clerk)

Referred to Chas. E. Simmons Clerk

Aldermen Burgin offered the following Order
City of Kenmore

Sidewalks Austin Street ordered for hearing

In Board of Aldermen May 9th 93.

Whereas in the opinion of the Board of Aldermen the public convenience requires that sidewalks should be graded and constructed on and fronting on both sides of Austin Street from Broadway to Maple Avenue to be curbed with granite and with 2 ft stone on side of the width of 8 ft and 3 ft wide and the grade of the same to conform to the grade of the street

Therefore hereby

Ordered, that the notices to be given as prescribed by the ordinances of the City of Kenmore in such case provided to Martha F. Danghaus, Charles B Sanborn, John F. Simonds, James E Paul, Mary A Weeks, Francis M Crane, Family of Lucy Elizabeth Wright, Louisa (Dead), Minnie E Dana, George H Hooker, Hiram E Sanborn, Mark Leighton, Hattie G Paul, Annette, Heirs of Joseph Peterborough, Charles B Sanborn, James Monroe, George H Pitz, George K Monroe, Benjamin M Du Val and all other persons and corporations interested that this board will at their usual meeting place on Liberty Hall and Highland Avenue on Wednesday the thirteenth day of June 1893 at 8 o'clock P.M. proceed to consider the sufficiency of said notice and construction of said sidewalks and confirm, vacate, modify or reject the same as upon the hearing

May 9. 1883.

such petition be granted & permit issued accordingly & that the expenses of the same be paid by the petitioners making objections thereto will there and said Board

Jerome

Notice and order for laying out

(City of Somerville.)

(Six Boards of Mayor and Aldermen)

(May 23, 1843.

Jerome V
Jewett & Small &c
Notice & order
for laying out

Resolved and adjudged, that the public convenience and the public health require that a Main Drain or Common Sewer should be laid, made and maintained from Grant and Small Streets to said public road from Pine Hill to Temple Street and that surveys be made for the same.

A piece of land belonging to Samuel E Jewett containing 11 rod square described as follows.

A small piece of land belonging to Samuel E Jewett containing 24 100 square feet more or less.

Each of said pieces of land being bounded and described as shown on a plan drawn by George H Kimball City Engineer dated April 14. 1843 and on file in the office of the City Clerk.

And Whereas no offer to dispose of such land required for the purposes aforesaid has been made by the owners thereof, that the public convenience and necessity require that said Main Drain or common Sewer should be laid, made and maintained and the said Somerville Street with the abutments and boundaries of said pieces of land be altered in the manner aforesaid so as to include in the street so altered the pieces of land as above described in which such taking shall be awarded, and where the owners of said pieces sustaining damage by such taking with the amount of such damage shall

said) reasonable to be awarded to each, said owners as fully appear in said report; and Whereas said report and plan have remained in the City Clerks office for the space of seven days at least before the Mayor and Aldermen proceeded to act thereon; and Whereas due notice has been given to all persons and corporations interested that on the petition of the Mayor and Aldermen for the said parcels of land for the purpose of said Main Drain or Common Sewer, an Order of Notice for a hearing by the Mayor and Aldermen and the petition thereto annexed will fully appear; and in pursuance of the notice and place in said Order of Notice appointed the Mayor and Aldermen met and heard said parties interested who claimed to be heard.

It is Therefore ordered, that the parcels of land herein described and the same are hereby taken for the purposes of a Main Drain or Common Sewer of the said City under the provisions of law authorizing the construction of a sanitary sewer & the change of making and repairing the same and of the ways already used for making and repairing the main drains and common sewers through which the same may discharge; according to the plan of the same made by George A Kimball City Engineer, dated April 11. 1882. and deposited in the office of the City Clerk as aforesaid; that the said land taken as aforesaid, and as shown and designated upon said plan be and the same is hereby taken and established as for a main drain or common sewer of the said City; that the boundaries, locations and admeasurements of said land taken as aforesaid per deed as shown upon said plan which is hereby made a part of this order and as follows to wit; said land is bounded.

Northeasterly by Saquish Street forty feet Southeasterly by the Southeasterly line of Grant Street two hundred and eighty feet; Southwesterly by the Southwesterly line of Pinckney Street prolonged six hundred and fifty-(650) one feet; Northwesterly by Cowpen Street forty two feet (42)

May 23. 1883

(Northeasterly by the northeasterly line of Somerville Street six hundred and four 6/10 feet, and Northwesterly by the northwesterly line of Grand Street four hundred and forty feet; that the proprietors, accepting a common of the land taken as aforesaid, are allowed until the tenth day of June next, to take off their fences and other fencing materials now obstructing the laying of said main drain in common sewer; and that the following is a true and accurate account of the damages sustained by any persons in their property by the taking of said lands namely.

That the Committee on Sewers be and is hereby authorized to make a contract with Maurice M Bellamy for the construction of a common sewer in Main Street from the end of the present sewer to a point near Highland Street, at the prices named in his proposals submitted to said Committee report of this date. (Albion A Perry)
Order adopted receiving its first and second reading and final passage.
(Charles E Gilman Clerk)

May 23 1883

Report of Joint Special Committee of investigation concerning the official conduct of the late Superintendent of Streets and the doings of the Highway department.

Report of Joint Special Committee of Investigation

Somerville, May 23, 1883.

To the City Council of Somerville.

The joint Special Committee appointed by your order, of date April 11, 1883, to inquire into certain municipal affairs concerning the official conduct of the late Superintendent of Streets, John P. Richards, and the doings of the Highway department, have given all due attention to that duty, and would respectfully submit the following report.

Your Committee decided that the hearings should be private, and that a stenographer be employed to report the evidence presented at public hearings; and to have every item of testimony given in officially recorded. They also voted to allow Mr. Richards to appear with counsel, if he so desired, and he was present with counsel at every hearing.

The privilege of printing the stenographic report without reference to the city was solicited by the proprietors of the Somerville Journal, and by vote of the committee it was decided to allow its publication as it seemed by this method, all the advantages of a public hearing were secured, and the citizens have the fullest knowledge of every fact connected with the investigations.

Your committee also voted to notice said publication that all persons desiring to offer evidence pertinent to the investigations were invited to be present, and they declare that every opportunity has been afforded for a full, free and searching enquiry.

Nearly all the testimony given at the hearings has been published in the public press in the columns of the Somerville Journal, and the remainder will appear in this weeks issue of that paper.

May 23 1883

Mr. Merrill Lee Smith, for your information, the stenographic report of the hearings.

Upon the testimony, as your committee believe by a careful examination of the stenographic notes, is vague and inadequate, but it seems unnecessary to enter into any minute analysis or characterization of it in this report. We also learn by your communications and from the card index marked "relative to ordinances" and the report of Mr. Strickland, relative to matters touching the interest of members of his own family.

Your Committee report that the following charges against the official conduct of Mr. Strickland have been sustained:

First: That he did not at all times, while discharging the duties of Superintendent of Streets as promptly give the recommendations of the highway committee and, on some instances, ignored and rebelled their expressed instructions.

Second: That he failed to keep the records and accounts of his department fully and exactly and in a methodical manner, and, on several occasions, manifested culpable negligence in acquainting himself with the conduct of his subordinates and of materials sold to and purchased for the city.

Third: That he did, on four instances, receive moneys due to the city which he failed to account for to the city treasurer, the manner of receiving of this money in one case, being in direct violation of an ordinance, with which by his own testimony, he was perfectly familiar.

Fourth: That he employed city laborers to do work for private individuals, carrying the names of said laborers on the pay rolls of the highway department during the very days when they were engaged on such private work; that the citizens recognized the culpability of such conduct as shown by the language and declaration of after the fact, had come to the knowledge of the highway committee and of his Honor the Mayor.

Street Committee, & the Committee of Council shall at all times have power to order the opening and repairing of such Crossings & Sidewalks & such Gravelling, Macadamizing & Paving as may be deemed necessary & expedient, & to direct the manner in which the same shall be done, & the materials to be used, & to order the payment of the cost thereof out of the Street Improvement Fund, & to direct the manner in which the same shall be paid, & to order the payment of the cost of any Crossings, Sidewalks, Gravelling, Macadamizing or Paving done or made by the Corporation in front of any property belonging to the Corporation, & to order the payment of the cost thereof out of the General Fund of the City.

And whereas it is expedient that the Street Committee should be empowered to order the opening, repairing, Gravelling, Macadamizing & Paving of Streets, Lanes & Crossings, & the making & repairing of Sidewalks, & the payment of the cost thereof out of the Street Improvement Fund, & to direct the manner in which the same shall be done & paid, & to order the payment of the cost of any Crossings, Sidewalks, Gravelling, Macadamizing or Paving done or made by the Corporation in front of any property belonging to the Corporation, & to order the payment of the cost thereof out of the General Fund of the City.

Be it therefore enacted by the Mayor, Aldermen & Commonalty of the City of Toronto, by the authority of the same, that from & after the passing of this Act, the Street Committee of the City of Toronto for the time being shall have power to order the opening, repairing, Gravelling, Macadamizing & Paving of Streets, Lanes & Crossings, & the making & repairing of Sidewalks, & the payment of the cost thereof out of the Street Improvement Fund, & to direct the manner in which the same shall be done & paid, & to order the payment of the cost of any Crossings, Sidewalks, Gravelling, Macadamizing or Paving done or made by the Corporation in front of any property belonging to the Corporation, & to order the payment of the cost thereof out of the General Fund of the City.

And whereas it is expedient that the Street Committee should be empowered

May 23/1883

(Aldermen Burns

Moved that the report be referred back to the Committee with instructions to report to the City Council authorizing Thos. Fraser and Wm. Shepard that the Mayor and any member of the Highways Committee, have no power to enter any thing in, thru or upon, that belonged to the City or committed any unwarranted or unjustifiable act, that resulted in any gain to themselves or any loss to the City, and if they have, when and by whom, said act was committed, and how much in the opinion of the Committee the City lost by the transaction,

also that they be requested to report and the opinions referred to them, whether or not in their opinion the prayer of the petitioners should be granted,

The motion did not prevail

The report was accepted and sent down for Concurrence

His Honor the Mayor returned to the Board of Aldermen the order passed May 23. 1883, which he returned, the Committee on Sewers to construct a sewer in Grant Small and Simples Streets disapproved and his reasons therefor.

City of Somerville Mayors office

June 2. 1883.

To the Board of Aldermen

Gentlemen.

The order of your Board providing for the construction of a common sewer in Grant Small and Simples Streets, having been returned disapproved. Said sewer will cost the City Treasury over three Thousand dollars. We are at present but three sewers to be accommodated, provided, like. It is

June 6/1883

and in any judgment may result to the property
abutting contiguous thereto, all of
which can be avoided with temporary drainage
and other practical slight expense, the drainage
can be disposed upon the vacant lands in the
rear, with little difficulty, and without detri-
ment to damage to any one.

The pecuniary advantage to be gained by the
construction of said sidewalks to plight and in my
judgment right to be commenced north, to
cool to the City.

It seems to me best to be my duty to reject
the order for your further consideration.

Very respectfully yours,
Asher P. Cummings Mayor

Sidewalks Glen Street - Order to be Graded

(Alderman Quigley offered the following Resolve and Order,)

(City of Somerville)

In Board of Mayor and Aldermen

June 6. 1883.

(Resolved)

That the Common Convenience requires that sidewalks be graded and constructed and finally constructed sidewalks completed as hereinafter stated

and the Mayor thereof

(Ordered) That sidewalks be graded and constructed, and finally constructed sidewalks completed on the following named streets of said City of Somerville, with edgestones, and covered with (gravel) all as hereinafter specified.

(Glen Street)

on both sides thereof from Broadway to Webster Street to be covered with gravel and with edgestones and to be of the width & pitch and grade.

The grade of said sidewalks to be conformable to the grade of the street the gutters are to be paved and all matters not herein particularly specified in regard to the construction of said sidewalks are to be determined by the Committee on Highways (to which Committee full authority is hereby given for that purpose,

And the said Committee is hereby authorized and instructed to grade construct and complete said sidewalks as aforesaid, and in the manner aforesaid and to report to the Board of the expense thereof and the assessments thereon the sidewalks of said Committee to be made upon the abutters on said sidewalks.

June 6 1883

To the Board of Aldermen

The Committee on Highways to whom was referred the petition of B. R. Hapgood et al. praying that the Square at West Somerville be graded and that edgestones be set there, and the gutters and sidewalks graded in the vicinity so much of said petition as relates to edgestones and sidewalks, that said committee be authorized to advertise hearings already ordered and recommending that granite sidewalk and edgestones be constructed around the Square in the location of the Lexington and Arlington Branches of the Boston and Lowell Railroads, and in front of the estate of Lavinia Hemingway from a point near the tracks of said Branch railroad to Highland Avenue, in front of the estate of Daniel Swan, from Day Street to Dane Street, and in front of the estate of Mr Holland and Charles H Simpson and in the location of said Branch railroad from Dane Street to a point near the tracks of said railroad, and petition therewith and order of notice for a hearing thereon, this Board of all persons desiring to object thereto

Order for Grading

June 6 1883

Aldermen Lunger offered the following order

City of Somerville.

The Board of Aldermen June 6, 1883.

Whereas, in the opinion of the Board of Aldermen the public convenience requires that sidewalks should be graded and constructed, and partially constructed sidewalks completed on the easterly side of Davis Square from a point near the tracks of the Lexington and Arlington Branch of the Boston and Lowell Railroad to Highland Avenue, and on the westerly side of Davis Square from Day Street to a point near the tracks of said branch railroads to be curbed, gravel and partly edgestoned to be of the width of ten feet and the grade of the same to conform to the grades of the streets as hereafter fixed by

Ordered

That sidewalks to be formed as prescribed for the purpose of intention to lay out highways, to be given to Lucinda A Kingman, (Davis Square) Silas H Holland, Charles J Simpson Boston and Lowell Railroad, Company,

and all other persons and corporations interested that this Board will at their room in the City Hall on Highland Avenue on Wednesday the 11th. day of July 1883, at 8 o'clock P.M. take into consideration the expediency of grading and constructing said sidewalks and completing said partially constructed sidewalks as aforesaid (and of assessing upon the abutters on such sidewalks, in such proportions as proper shall according to law of the expenses of the same, and that any persons making objections thereto will then and there be heard

Order for hearing

Aldermen Hall presented the following order.
Order of Notice City of Somerville
In Board of Mayor and Aldermen June 6. 1883.
Ordered, that the Mayor and Aldermen
the public convenience and the public benefit require
that permanent drains or common sewers should be laid in
Broadway Street, Central, Prospect and Cross Streets
of said City and
of the City of Boston and Cambridge Street in said City
of Boston, to and of the Heirs of Simon Gilkey &c
this City and that a part of the said permanent Streets should
be taken for the purposes of said Main Drains Common
Sewers and, Ordered, that the part of said Streets shall be
taken, it is therefore further ordered, that due notice, and the
manner provided by Law, and to be given by some Constable
of the City of Somerville, be given to Jesse Stokes,
Benjamin Hunt, Lieut. Edward H. Bolton, David
Kelly, Annie P. Bridge, Effie G. Shannon, Harriet
Stearns, Benjamin Hadley, Joseph Leonard Swan
& Others, and all other persons and corporations interested, that the Mayor and
Aldermen, to take said part of said Streets for the purposes
of said Main Drains & Common Sewers, and to estimate
the damages occasioned thereby, and also that due
notice be given to all persons and parties owning
or having any rights or interests that will be benefited
by the said proposed Main Drains & common Sewers,
that it is intended to assess a just proportional part of the
expense of making and completing all the Main Drains
and Common Sewers through which the same may
discharge, upon the estates benefited under the provis-
ions of Law, and that the assessments so to be made
will be part of the cost of laying Main Drains & common
Sewers and that Wednesday the 11th day of July A.D. 1883.

June 6. 1883

Upon the seventh ballot for Superintendent of Mills one blank vote cast.

Upon question as to the counting of a blank ballot the Chair ruled that a blank ballot could not be counted, and that the ballot stood only 23 persons had voted, one cast off 24, and that any man receiving the majority of 13 votes elected.

Upon the 12th ballot the Committee reported the whole number of ballots cast 24
Necessary for a choice 13
One being one blank cast.

His Honor the Mayor ruled that the blank must be thrown out, and declared the whole number of ballots cast 23 necessary for a choice 12 and announced that Frank G. Williams was elected Superintendent of Mills for ensuing year receiving 13 votes.

In Board of Aldermen Order adopted
Charles E Gilman Clerk

Sidewalks (Pleasant Street) Order to construct

Alderman Dungin offered the following.
Resolved and Ordered
City of Somerville.
In Board of Mayor and Aldermen
June 13. 1883.

Resolved. That the common convenience requires that sidewalks be graded and constructed and partially constructed sidewalks completed as herein after stated and it is therefore

Ordered. That sidewalks be graded and constructed and partially constructed sidewalks completed on the following named streets of said city of Somerville with edgestone, and gravel and as herein after specified

Pleasant Street

on both sides thereof from Broadway to Maple Avenue to be covered with gravel, and with edgestones and to be of the width of six and ½ feet.

June 13. 1883

The grade of said Sidewalks is to conform and be similar to the grade of the Street, the gutters are to be paved; and all matters not therein particularly specified in regard to the construction of said Sidewalks, are to be determined by the Commissioner of Highways, to which Commissioner full authority is hereby given for that purpose. And the said Committee is hereby authorized and instructed to grade, construct and complete said Sidewalks as aforesaid and in the manner aforesaid, and to assess the Schedules of the expenses thereof and of the assessments therefor in the Judgment of said Committee proper to be made upon the abutting and said Sidewalks to the Boards when said Sidewalks shall have been completed.

Asa Duryea

Which adopted receiving its first and second reading and final passage.

Charles E Gilman Clerk

Alderman Duryea offered the following Resolution and Order.

City of Somerville

In Board of Mayor and Aldermen

June 13. 1883.

Resolved.

That the common convenience requires that Sidewalks be graded and constructed and partially constructed Sidewalks completed as hereinafter stated and it is so

Ordered) That Sidewalks be graded and constructed and partially constructed Sidewalks completed in the following named Street of said City of Somerville with edgestones and covered with brick, as hereinafter specified.

Herbert Street

on the southwesterly side thereof from Broadway to Daystreet

Sidewalks Herbert Street Order to construct

June 13 1883

to be convexed on the brick and with edgestones and to be of the width of 6, and 8 1/2 feet—

The grade of said sidewalks is to conform substantially to the grade of the street, the gutters are to be flagged, and all matters not herein particularly specified in regard to the construction of said sidewalks are to be determined by the Committee on Highways, to which committee full authority is hereby given in that respect

And the said Committee is hereby authorized and instructed to grade, construct and complete said sidewalks as aforesaid, and in the manner aforesaid and to report a schedule of the expense thereof and of the assessments thereon in the judgment of said committee ought to be made upon the abutters on said sidewalks to the Board, when said sidewalks shall have been completed. Dan Duggan

Petition of
Moses W Thompson

Petition of Moses W Thompson,
To the Committee on Claims of the City
Government of Somerville.

Your petitioner Moses W Thompson of said Somerville respectfully represents that on the fourth third day of January A.D. 1882, he was walking on the easterly side of Washington Street and on said side near the Catholic Church, that there was a slippery coating of ice upon said side walk, which made it dangerous to those passing over it, that your petitioner fell upon it injuring his left hand and arm so that they have been for a long time useless, and probably will be permanently useless, that your petitioner is poor and unable to support himself and family, and that he needs aid, Wherefore he prays that you will examine his case and report in favor of his being paid some suitable sum on account of said accident

Respectfully Moses W Thompson
9 School Street Somerville,

on their shoes" and
"of Austin Bishop that the ordinance for the
protection of shade trees be enforced against the
Suburban Telephone Company whose agents are
accustomed to climb shade trees in the city with
irons on their feet thereby greatly injuring them.

Report That immediately on receipt of the first named
petition they wrote to said Company's
Superintendent in this City calling his attention
to the ordinances in relation to the injuring of shade
trees, and asking him to see that no further cause
for complaint be given, and received a reply that
he had ordered his men to discontinue the practice
of climbing the trees and said Superintendent
has since been notified as directed by the City Council
in the reference of the second named petition, that
the statutes (and) concerning the mutilation of shade
trees will be enforced against this company in
case of any further violation thereof

By order of the Committee
George S Barnard Clerk.

Report accepted and sent down for concurrence.

Sidewalks Davis Square Woods order for construction

Alderman Durgin offered the following Resolve and Order

City of Somerville

In Board of Mayor and Aldermen

July 11. 1889.

Resolved

That the common convenience require that side walks be graded and constructed and partially constructed sidewalks completed as hereinafter stated and it is therefore

Ordered that sidewalks be graded and constructed and partially constructed sidewalks completed as hereinafter specified to wit:

Davis Square

on the easterly side thereof from a point near the
tracks of the Lexington and Arlington Branch of
the Boston and Lowell Rail Road to Highland
Avenue; and
on the northerly side thereof from Day Street to a
point near the tracks of said Branch Railroad
to be curbed with granite, and with edgestones, and to
be of the width of ten feet.
The grades of said sidewalks is to conform substantially
to the grade of the street; the gutters are to be formed
and all matters and things particularly specified
in regard to the construction of said sidewalks are to
be determined by the Committee on Highways to
which Committee full authority is hereby given
for that purpose.
And the said Committee is hereby authorized and
instructed to grade, construct, and complete said sides-
walks, as aforesaid, and in the manner aforesaid
and to make due schedule of the expense thereof and
of the apportionments thereof in the judgment of said
Committee proper to be made upon the abuttors on said
sidewalks, so that such sidewalks
shall have been completed.
Order adopted receiving its first and second reading
and final passage. (Charles E. Gilman, Clerk.

Sewers
Boston Street
Resolve order
taking of Land

(Aldermen Held) offered the following
Resolve) and) ordered,
City of Somerville.
In Board of Mayor and Aldermen.
Sept 12. 1883.

(Resolved) and) adjudged) that the public convenience and the public) health require) that a Main Drain or Common Sewer should be laid, made and maintained in Boston Street so called, & intervening ways in said) City from Prospect Hill Avenue to Greenville Street, and for that purpose it is necessary to take the said) main drain or Common Sewer

(A) parcel of land) belonging) to William H) Thompson) containing 1150 Square feet more or less

A parcel of land belonging to Sarah M Jones containing 2450 Square feet more or less

A parcel of land belonging to John Dugan containing 2500 Square feet more or less

Each of said parcels of land being bounded and described as shown on plan drawn by Geo. A Kimball City Engineer dated July 25th 1883, and on file in the City Clerks office.

And whereas the petition of William H Thompson asking for the laying making and maintaining of sewers, and the manner of taking said parcels of land & the premises aforesaid were referred to the Committee on Sewers and whereas, as appears by the report hereto annexed the said Committee was of opinion that the public convenience and necessity require that said main drain & Common Sewer should be laid, made and maintained, and the said Committee have caused the admeasurements and

and boundaries of said pieces of land, taken for the purposes aforesaid, to be distinctly marked out on the premises by the City Engineer, and also upon a plan thereof, and to be described, and pointed out, and specified the manner and method in which said takings shall be completed, and specified the manner of all persons sustaining damage by such takings, with the amount of such damage, proper and reasonable, to be awarded to each of said owners, as fully as appears in said report and plan.

And whereas said Report and Plan have remained in the City Clerk's Office for the term of seven days at least before the Mayor and Aldermen proceeded to act thereon, and whereas due notice has been given to all persons and corporations interested. Therein of the intention of the Mayor and Aldermen to take said pieces of land for the purposes of said main Drains or Common Sewer, as by the order of notice so ordering by the Mayor and Aldermen and the return thereto annexed more fully appears, and whereas at the time and place in said order of notice appointed, the Mayor and Aldermen met and heard all parties interested who claimed to be heard.

It is thereupon ordered, that the pieces of land described, and the same are hereby taken for the purposes of a main drain or common sewer of the said City, under the provisions of Land and Drainage, the construction of a permanent drain of the character and of the charges, not already assessed, of making and maintaining the Main Drains and Common Sewers through which the same may discharge according to the plan of the same made by George P. Kimball, City Engineer dated July 25, 1883, and deposited in the office of the City Clerk as aforesaid and that the said land taken as aforesaid, and as

shown and designated upon said plan) be and the same is hereby taken and established as a Main Drain in Common Sewer of the said City; that the boundaries, location, and admeasurement of said land taken as aforesaid and all as shown upon said plan, which is hereby made a part of this order, and as follows to wit:- said land is bounded Southeasterly by Prospect Street sixty one feet; Northeasterly by the northeasterly line of said Baker Street produced four hundred and forty feet; Northwesterly by the Southeasterly line of Quincy Street prolonged fifty feet; and Southwesterly by a line distant throughout fifty feet from the second described boundary line four hundred and fifteen feet; that the proprietors occupants or owners of the land taken as aforesaid are allowed until the twentieth day of September inst. to take off their trees, fences, and other property which may obstruct the laying of said main drain or common Sewer, and that the following is an estimate and award of the damages sustained by any persons for their property by the taking of said land namely:

William L Thompson ..... Nothing
Sarah F M Jones ..... Nothing
John Dugan ..... Nothing

Sewer Chester Street Warrant to Treasurer

Warrant Chester Street Sewer

Commonwealth of Massachusetts

Middlesex, ss.

To John [illegible] Treasurer and Collector of Taxes of the City of Somerville in said County

Greeting

In the name of the Commonwealth of aforesaid you are hereby required to levy and collect of the several persons named in the list herewith delivered to you according to their respective shares as particularly set down in the sum total of said list, to wit: Four Hundred and Ninety and 85/100 Dollars being the whole amount of assessments made by the Mayor and Aldermen of said City to defray in part the cost of constructing a Common Sewer in said City of Somerville, in Chester Street, and said sewer is to be laid in Cross Street at Chester Street to a point 95 feet southeasterly from Medford Street the same having been ascertained, assessed and certified according to law.

You are to compute and make up an account of the collection of said sums, and pay the same into the Treasury of said City on or before the first day of February next ensuing the date hereof; and in case of neglect or refusal in enforcing the payment of said sums, you are to exercise the powers conferred by the Statutes of said Commonwealth, and to be governed thereby.

Witness Joseph P Cummings Mayor of our said City of Somerville and the seal of said City hereunto affixed this 12th day of September in the year of our Lord one thousand eight hundred and eighty three.

Warrant & Treasurer

Commonwealth of Massachusetts. Middlesex, ss.

To John F. Bodfish Treasurer and Collector of Taxes of the City of Somerville in said County

Greeting

In the name of the Commonwealth aforesaid, you are hereby required to levy and collect of the several persons named in the list hereunto committed to you, with this precept, the respective sums in said list set down against their names;

Eight hundred and five and 05/100 dollars being the residue of an amount of assessments made by the Mayor and Aldermen of said City to defray in part the cost of constructing a common sewer in said City (of Somerville) in Central Street and Highland Avenue and extending from the sewer in Oxford Street near Central Street to a point in Highland Avenue 62 feet more or less from said Oxford Street the same having been ascertained, assessed, and certified according to law.

You are to complete and make up an account of the collection of said sums, and pay the same into the Treasury of said City, on or before the first day of February next, retaining in your hands said sums in making collection and so retaining the payment of said sums, you are to receive the fifteen per cent allowed by the statutes of said Commonwealth, and to be governed thereby.

Witness John F. Brownrigg Mayor of said City at (Somerville) the 12th day of September in the year of our Lord one thousand eight hundred and eighty three.

By order of the Mayor and Aldermen

Report of Com

Report of Committee on Sewers

City of Somerville

To the Committee on Sewers September 11, 1843.

To the Board of Aldermen of Somerville

The Committee on Sewers, to which (have been) referred, the following named petitions to wit

of Lydia H Nurse and others praying for a Sewer in Elm Street from Main Street to Central Street and of B. F Leland and others praying for a sewer in Elm Street from Cross Street to Central Street

such portion of said petitions as relate to abating present nuisances,

recommend that the petitions (have been) so far granted

the report was accepted

Subsequently on motion of Alderman Read the vote of acceptance was reconsidered and that portion

relating to the petition of Lydia A Ruane for a Sewer in Crescent Street was recommitted to the Committee on Sewers. Also relating to the petition of B P Salomon and others for a drain in Bleachery Street was referred to the Committee on Sewers.

Report of Committee on Public Property

City of Somerville.

Public Property Report of Committee on repairing of School houses

To the Committee on Public Property Sept 4, 1883.

The Committee on Public Property to whom was referred the report of the Board of Health, relative to the sanitary condition of the several school buildings in the city, have given the matter careful consideration and would submit the following report.

The Committee have visited every school building

in the city and made a careful examination of the sanitary condition of the same, giving especial attention to every thing pointed out as defects by the Board of Health, and after a careful consideration of the same have remedied such as in their judgment were most important and have adopted and carried out the recommendations of said Board as far as they felt justified in so doing and where their judgment indicated that it should be done at the present time.

From the limited appropriation for this department and from the fact that the city council declined to increase the same after the report of the Board of Health was submitted to them, we do not consider that it was expected of this Committee that they should make any extensive sanitary improvements.

For this reason very little could be done in changing the ventilation of the several school Buildings.

We would not, however, have it said that we made light of this matter, as we recognize and all important element to the healthful growth of both the mind and body of our school children, but it is a matter that should not be acted upon hastily, and not only should it receive careful consideration but to accomplish the desired results will require the appropriation of a large amount of money.

There are also many recommendations in this report of such a nature as to require large expenditures and consequently we feel obliged to pass them by, but in doing this, we do not feel that the health of the scholars is in the least endangered.

We have such sanitary improvements and repairs as to us seemed most important for health, safety and comfort, and feel justified in reporting

Sewers

Communication from Committee on Sewers relating to bill of City of Cambridge Bridge St Sewer

Communication from Committee on Sewers
City of Cambridge

To the Committee on Sewers Sept 11. 1883.

To the Board of Aldermen of Cambridge

The Committee on Sewers to whom was referred the accompanying bill from the City of Cambridge for the cost of clearing the Bridge Street Sewer $1862.56

Many questions were received from the Engineer of Cambridge in hearing this Committee that recent action of the City Government of Cambridge had placed the Sewer Committee under the direction of the City Engineer to clear the outlet of the Bridge Street Sewer, desiring this Committee Approval and Confirmation in this work, and earnestly requesting early attention and reply.

The invitation was accordingly extended to the Committee on Sewers, and the City Engineer of Cambridge to meet this Committee at the Police Building Bow Street, Thursday June 7th at 7.45 P.M. for the purpose of consulting in the matter but neither the Committee nor the Engineer responded to the invitation. Meeting was however held at the City Hall Somerville, on Thursday June 12th at which the Sewer Committee and Engineers of the two Cities were present. On this occasion the General subject of the deposit at the mouth of the Sewer was talked over informally and the Chairman of the Cambridge Committee informed us that the work was then in progress as the urgency was so great that they did not wait for a conference with this Committee,

It thus appears that we had no voice in determining the expediency of doing the work, or the manner in which it should be conducted and do not lay to lay the matter before this Board (without further instructions we should not have engaged in it)

September 12, 1893

[illegible] after the reading was begun, he demanded that further proceedings be suspended, the bill, without action thereon, be referred to the Board, and more time allowed for consideration and that counsel be heard before the City Solicitor shall be allowed, after the question of the City's liability for the bill

(Report of Committee submitted)

Upon motion of Alderman Geo F Bowers--Clerk, Committee's report received and adopted & accepted

Charles E Gilman Clerk.

In Board of Mayor and Aldermen

September 12, 1848.

Whereas, in the opinion of the Board of Mayor and Aldermen and of the Common Council, the convenience and necessity of the inhabitants require that Evergreen Avenue should be laid out from School Street, to Thurston Street, as a public street or way of the said City as shown on a plan and described in a report of the Committee on Highways in regard thereto, said plan and report being deposited in the office of the City Clerk; it is therefore Ordered that due notice in the manner provided by Law and to be served by any Constable of the City of Somerville be given to Rufus Bullinay, William R. Oliver and all other persons and corporations interested that it is the intention of the City Council to lay out the street before mentioned by taking a portion of their land and laying out the same as a public street and to estimate the damages occasioned thereby and that Wednesday the 25th day of October A.D. 1848 at 8 o'clock P.M. and the Common Council Room in the City Hall on Highland Avenue are appointed as the time and place for the hearing by the City Council of any objection which may be made thereto.

City Solicitor
Opinion Relative
Bill from the City
of Cambridge

Communication from City Solicitor

Office of the Solicitor of Somerville
209 Washington St Boston 25 Sept 1883.

To the Hon. the Mayor and the
Board of Aldermen of Somerville

Gentlemen

In pursuance of the request by your Order of the 12th inst to furnish you with my opinion on the question of the City's liability to the City of Cambridge in the payment of a bill for one ninth of the cost of cleaning the Bridge Street Sewer & the particulars of the case being stated in a communication from the Cambridge Sewer Committee to you that day. I have examined the communication to which you refer the Legislature under authority of which the Sewer and said assessment extension were constructed, and also the report of the Commissioners, apportioning the expense of the construction and maintenance upon the cities of Cambridge and Somerville, and it seems to me that the case thus presented falls within the principle of the decision in Bowker v. Aldrich 99 Mass. Rep. 74. where our Court held that in the Commonwealth a tenant in common who makes necessary repairs upon the common property without the consent of his co-tenant cannot maintain an action at law against him to recover contribution for the cost thereof.

The principle of this decision has in no way since been modified by legislation or otherwise and I am therefore of opinion that the City of Somerville is under no legal liability for any part of the bill in question.

Respectfully Submitted

Samuel C. Darling City Solicitor

Received in Common Council

Charles E. Gilman Clerk.

Sewers — Communication from City Engineer of Cambridge

Communication from City Engineer of City of Cambridge.

Office of the City Engineer

Cambridge October 10. 1883.

To the Hon. the Mayor and Aldermen of Somerville

Gentlemen

In consequence of the above Hon. Mayor This week I have, by leave, at the suggestion of your Committee on Sewers, of addressing your Hon Board as follows The Sewer Commissioners of the City of Cambridge are considering the question of constructing a sewer in Ferry Street, 3500 to 4000 feet in length, sixteen inches This sewer extends from Orchard street in Cambridge To Elm Street in Somerville. There are at present some seven eight-houses and several vacant lots, There may be eventually 20 or 30 houses, a much better outlet for the sewer would be afforded by entering the sewer in Elm Street in Somerville on account of its greater depth. Than by any of your own sewers, perhaps as any effect to like amount of drainage from some of the streets in Somerville, could be received. Which could be better drained into one of our sewers, I have in mind Warren Street a portion of which is below your main sewer in Mead Street and could be easily drained into

October 10, 1883.

Water Commissioners, Sewers, or if any other arrangement would be more satisfactory, and report to the Board so, that you consider the matter and let us know if any arrangement can be made by you to do the work in what manner.

Respectfully

William H Barton City Engineer

Referred to Committee on Sewers

(Sidewalks' Assessment Treasurer)

October 10, 1883

On this mayor of the Commonwealth aforesaid
you are hereby required to levy and collect of
the several persons named in the list herewith
committed to you, of each one the respective sums
particularly set down as the sum total of said list to
wit: Five hundred and eighty seven and 47/100
dollars, being the amount of assessments made
by the Mayor and Aldermen of said City to defray
in part the cost of grading and constructing sidewalks
in said City of Somerville, in Gen Street in said city
and on both sides thereof, and extending from
Broadway to Webster Street; with edgestones, and
paved with gravel, the same having been ascertain-
ed, ameded and certified thereby;
You are to complete and make up an account
of the collection of said sums, and pay the same
into the Treasury of said City on or before the first
day of March next ensuing the date hereof; and in
making collection and enforcing the payment of said
sums you are to exercise the powers conferred by the Stat-
utes of said Commonwealth and to be governed
thereby.

Petition of James P McAvoy for removal of Guardian

Petition of James P McAvoy,
Somerville October 10, 1883.
To the Honorable, the Mayor and Aldermen of the City of Somerville —
The undersigned respectfully represents that since October twenty fifth 1871 he has been under guardianship as a spendthrift, that his last Guardian was George E Bennett whose resignation was accepted June 12, 1883.
That the Mayor and Aldermen of the City of Somerville by petition to the Probate Court of the County of Middlesex, dated June 12, 1883 prayed that a suitable person be appointed guardian of the person and estate of your petitioner, and that the judge of Probate appointed Orrin S Wraxall Esq as guardian and that he continues to hold such guardianship.
Your petitioner further represents that he believes that he is not capable of managing his own estate and that the necessity for such guardianship no longer exists.
He therefore prays that your Honorable Board will take such action as may be necessary to relieve him from his present disability

James P McAvoy,

Four Hundred and 84/100 Dollars,

being the whole amount of assessments made by the Mayor and Aldermen of said city to defray the cost of constructing a Common Sewer in said city of Somerville in Boston Street and extending from the sewer in Prospect Hill Avenue to a point 82 feet Southeasterly from Glenville Street the same having been ordered and laid out by said City.

You are to compute and make up an account of the collection of said sums, and pay the same into the Treasury of said City, on or before the first day of April next ensuing the date hereof, and in making collection and enforcing the payment of said sums, you are to observe the powers conferred by the Statutes of said Commonwealth, and to be governed thereby.

Witness John A. Cummings Mayor of our said city of Somerville, and the 28th day of November in the year of our Lord one Thousand and eighty three.

By order of the Mayor and Aldermen

Charles E. Gilman City Clerk

November 28, 1883.

City of Somerville

In Board of Mayor and Aldermen

November 28, 1883.

Ordered: That the cost of constructing the Sewerage System in Willow Street be assessed to property to the amount of $471.98, and the abutting land owners be assessed the remaining $71.60. Said assessments to be paid by the city, the assessments amounting to $160.34 to be assessed upon persons benefited. The persons named in the assessment being benefited as aforesaid, be and they are hereby charged and assessed with the same therein set forth respectively, as their proportional part of the expense of the said permanent drain and sewer in said Willow Street, and the sums therein assessed to be paid to the City Treasurer forthwith, and the Treasurer is hereby instructed to collect the same, and it is further ordered that the Mayor and Clerk be authorized and directed to execute a warrant for the collection thereof.

Attest: Charles E. Gilman, City Clerk.

Oakland Avenue
School Street
Assessment Roll

Certain description entitled Profile & Plan showing Oakland Avenue and School Street Sewer and Lateral Sewers as laid out by George H. Kimball, City Engineer, dated Nov 7, 1883.

Commonwealth of Massachusetts

Middlesex, ss.

To Jesse A. Locke, Treasurer and Collector of Taxes of the City of Somerville, Greeting

In the name of the Commonwealth aforesaid you are hereby required to levy and collect of the several persons named in the annexed list, the several sums in the last column of said list, being the assessments made upon them respectively by the Mayor and Aldermen of said City, for the purpose of paying the cost of constructing the sewers described in the certain instrument

Sewer
Oakland Avenue
Warrant

November 20, 1883.

Sewer Assessment Roll of Said First Levy.

Whereas, Heretofore, to-wit: on the 28th day of October, 1883, the following Assessment was made by the Mayor and Aldermen of said City, to defray in part the cost of constructing a Common Sewer in said City of Lemoyne, on Oakland Avenue, and Shaw Street, and Extending from said Avenue, from the end of the Sewer built in 1870, 150 feet from Marshall Street, to Orford Street, and Thence in Shaw Street Northerly to a point 183 feet Southwesterly from Broadway and Southwesterly to a point 75 feet Northeasterly from Maple Avenue, the same having been ascertained, assessed and levied.

You are therefore, required to make up and collect the assessment, said sums, and pay the same into the Treasury of said City, on or before the first day of April, next ensuing, the date hereof, and for making collection and enforcing the payment of said sums, you are hereby vested with the powers conferred by the Statutes of said Commonwealth, and so required thereby.

Witness, John R. Cummings, Mayor of our said City of Lemoyne, this 28th day of November, in the year of our Lord, one thousand eight hundred and eighty three.

By order of the Mayor and Aldermen
Charles E. Farnan, City Clerk

City of Lemoyne, ss.

Oakland Avenue Assessment Roll.

In Board of Mayor and Aldermen,
November 28, 1883.

Ordered, That the Cost of Constructing the Common Sewer within referred to amounting to $1132.41 with the deduction of the proportion thereof amounting $201.55 to be paid by the City, leaving remaining $1230.86 to be assessed upon persons benefited. The persons named in the within schedule, being benefited, as aforesaid, be and they are hereby charged; and assessed with

November 28, 1883.

The rules thereof so that respective names, as their original part of the expense of the said Street, and the same be collected as rubbish and made thereof directed to be given to the parties aforesaid, there being no law, and it is ordered that the amount so when collected be applied and used.

Inspector of Buildings Report of

Report of Inspector of Buildings to his Honor the Mayor & the Board of Aldermen Gentlemen I give Inspector of Buildings Therewith present to his Annual Report.

The past year has been one of activity in building, your Inspector has found, builders willing to comply with the ordinance, in most cases, though there have been a few exceptions, but all with and explanation. The ordinance has been complied with.

There have been one hundred and twenty nine buildings built- The past year, besides a large number of additions and one has been stables and can hardly when adding quite a large amount to the taxable property of the city. The buildings are divided amongst the wards as follows

Ward One 23
